Attitude Check – Bronco Pride! This yearbook represents a compilation of photographs that captures a year in the life of Fayetteville State University. Of course, the key actors are the students, faculty, staff, administrators and alumni that make up the Bronco Family.

A yearbook is a testament to the range of activities, special events, light-hearted and serious moments that are experienced by our students. Students – you make this campus what it is. You bring the energy and motivation that creates a communal campus atmosphere and for that I thank you. Your interactions with one another reflect how much you value your friendships.

Students, I have enjoyed watching you grow and mature intellectually, emotionally and professionally. I cherish the moments that I spend with you and the friendships that we have established. I have been impressed by the commitment that FSU student leaders have made to the campus. Your support to this institution is testament to your love for FSU and your loyalty to me and my administrative team. For that, I thank you.

So savor every page, and use this yearbook to flash back to the enjoyable times from your college career.

"As students we cannot be passive. During the 1960's college students were politically active and made their voices heard regarding social issues. Today, we face similar challenges of disparities in education, healthcare and economic empowerment."

--Jermaine Coble,
SGA President

Mr. Bobby Seale, a young activist icon of the 1960's, used historical moments to enlighten students about the impact they can have to make a better world.

Ailey II

Ailey II appeared at FSU on October 24, 2012 in Seabrook Auditorium.

Ailey II is universally renowned for merging the spirit and energy of the country's best young dance talent with the passion and creative vision of today's most outstanding emerging choreographers. Ailey II flourished into one of the most popular dance companies in the country under the leadership of Sylvia Waters (from 1974-2012), combining a rigorous touring schedule with extensive community outreach programs. After over a decade of working alongside Sylvia Waters as Associate Artistic Director, Troy Powell took the helm of the Company in July and is currently in his first season as Artistic Director.

With the addition of seven new dancers, the company performed favorites to include Virtues, Splendid Isolation II, The Hunt and Revelations.

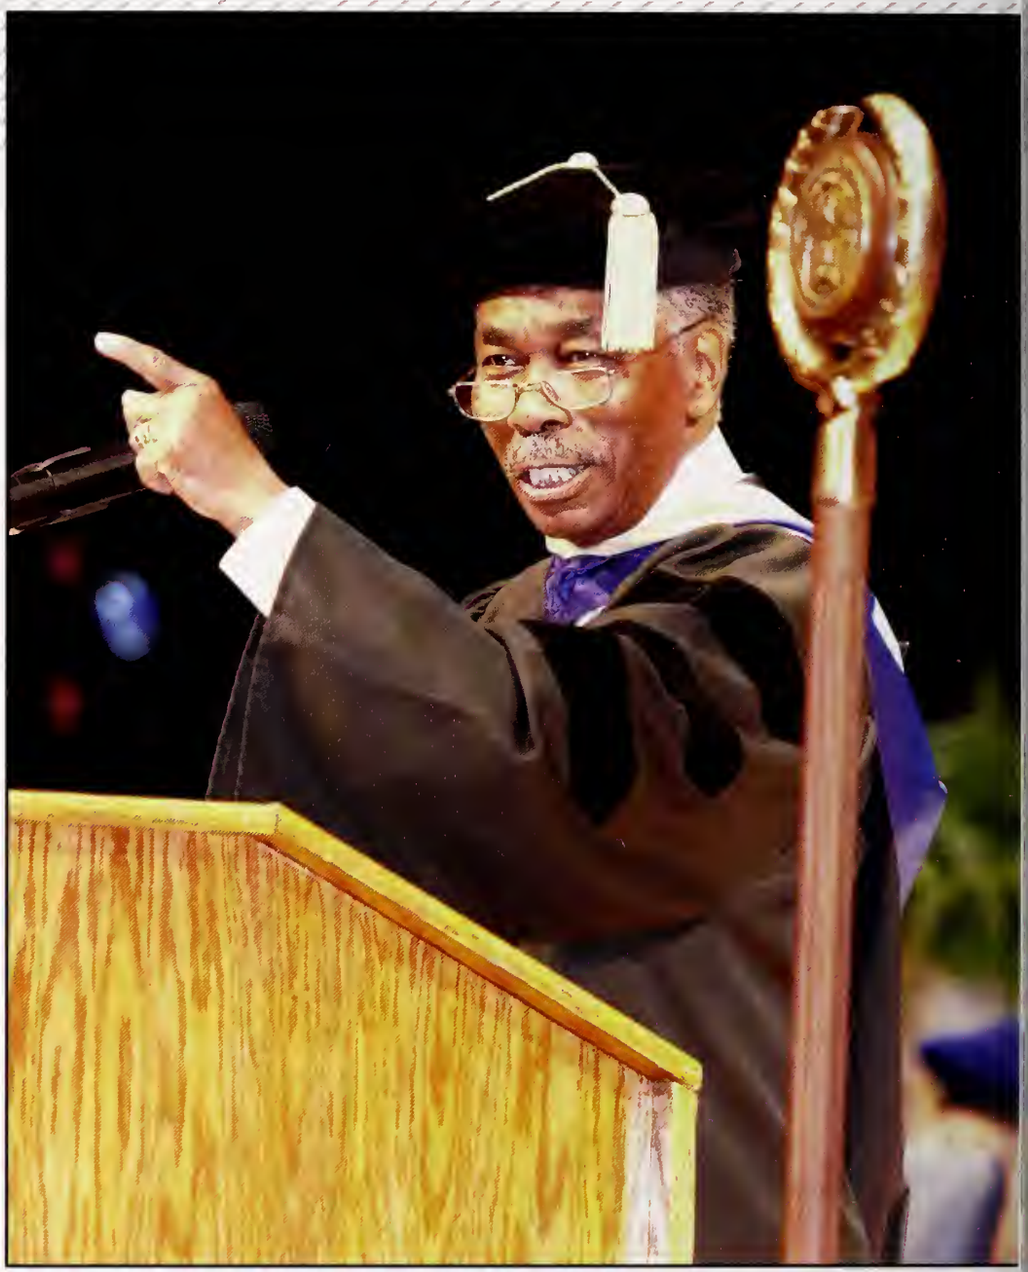
FOUNDERS DAY

John "Ben" Brown, former chair of the Fayetteville State University (FSU) Board of Trustees, was the guest speaker for the 146th Founders Day on April 11, 2013. The event was held at 2 p.m. in Seabrook Auditorium. During Founders' Day, a tribute was made to the FSU Family of the Year and new members was inducted into the Bronco Legacy Circle. Immediately following, there was a tribute to the founders and E.E. Smith at the Founders' Memorials.



Fayetteville State University announced one of the largest gifts in the history of the institution. The gift will be made over a five-year period and is a result of a $10 million endowment to create the Robert H. Short/Cumberland Community Foundation Scholars Program. The income from the investment will be awarded in the form of scholarships for graduates of Cumberland County Early College High Schools and for students who enter FSU as Global Scholars and Honors Students.
